

AP Physics Class Syllabus Agreement

After reading through the class syllabus, please print, complete and return this form to Mr. Greenberg by the due date given in class.

“We have read the AP Physics Course Syllabus and understand the expectations of the course. In order to receive the AP designation on the transcript, the student must take the AP Exam in May. We also understand that AP Physics is a challenging, college-level course that requires about an hour of work every day outside of class.”

Class Videos

There will be some extra credit opportunities throughout the school year that require creating physics related videos. These videos are a wonderful educational opportunity, but nonetheless, completely optional. Please select **one** option below:

- YES, we would like the opportunity to create and submit videos for the class
- NO, we DO NOT consent to submitting educational videos for the class
